I promise to take proper care of my foster. I will bring my foster to pet adoption on Saturdays at PetSmart, 10136 Two Notch Rd., Columbia, SC 29229. I will check the website for dates and times. I will show my foster to prospective new owners. I will keep my foster well fed, watered and clean. I will pick up supplied food and monthly heart worm and flea/tick medication. I will take my foster to all vet appointments. (We will try to make appointments at your convenience.) I will play with, house-train if needed and teach my foster how to be a wonderful, loving pet to the best of my ability. If I go out of town and wish to take my foster dog with me I will contact SQ Rescue ahead of time. If at any time I decide to adopt my foster, I will immediately contact SQ Rescue. We love for foster families to adopt!

If your foster has an emergency (i.e. lost or ill) please contact an SQ Rescue representative immediately.
