2.	_____	_____	_____	_____
3.	_____	_____	_____	_____
4.	_____	_____	_____	_____

Monthly heartworm and flea protection must be used on your new pet! Heartworm and flea protection due _____

When pet is 5-6 months old, contact SQ Rescue to schedule Neutering or Spaying.

All our adopted animals must be spayed or neutered. This is included in the adoption fee.

Please take all your vet records to your spay or neutering appointment. Your pet cannot have any food after midnight the night before altering. They can have water!

If you would like to have your own veterinarian spay or neuter your new pet, you may mail us a copy of your proof of altering, and we will refund \$65 of your adoption fee.
